

## Bluenose Wines

### 2014 Sonoma County Chardonnay

This wine was made in the traditional style; it's 100% cold-tank fermented to capture the expression of tropical, aromatic fruit from the vineyards. Then about 30% aged in new French Oak barrels to add richness and complexity.

#### **Tasting notes:**

This wonderfully rich and multi-layered chardonnay has lots of pineapple, ripe peach and honeysuckle fruit with abundant flavors of vanilla, crème brulee and spice. The rich and supple middle body finishes long, clean and crisp.
